

Joe Jackson - Is She Really Going Out With Him?

Allen
 Pretty women out walking with gorillas down my street
 From my window I'm staring while my coffee goes cold
 Look over there (where?)
 There, there's a lady that I used to know
 She's married now or engaged or something so I'm told

A
 Is she really going out with him?
 Is she really gonna take him home tonight?
 Is she really going out with him?
 Cause if my eyes don't deceive me
 There's something going wrong around here

A
 Tonight's the night when
 I go to all the parties down my street
 I wash my hair and I kid myself I look real smooth
 Look over there (where?)
 There, here comes Genie with her new boyfriend
 They say that looks don't count for much
 And so there goes your proof

A
 Is she really going out with him?
 Is she really gonna take him home tonight?
 Is she really going out with him?
 Cause if my eyes don't deceive me
 There's something going wrong around here, around here

A
 But if looks could kill
 There's a man there who is marked down as dead
 Cause I've had my fill
 Listen you, take your hands from her head
 I get so mean around the scene, hey, hey, hey

A
 Is she really going out with him?
 Is she really gonna take him home tonight?
 Is she really going out with him?
 Cause if my eyes don't deceive me
 There's something going wrong around here, around here

A
 Something going wrong around here
 Something going wrong around here
 Something going wrong around here
 Something going wrong around
