Krezip met Sweet Goodbyes

Can't sleep
'Cause everything's changing
You don't want to leave things behind
Can't breath
Cause too many things going on
Going wrong in your life

Tears in your eyes
Sweet goodbyes

I know how you feel right now
Losing dreams you've come to care about
I know what you need right now
You need to come on home so I can hold you tight
Get you through the night
I'll get you through the night

Wake up
The sun's shining bright
Let's go out of bed into the light
Shape up
We won't forget still there's lots of love left to hold tight

Tears in your eyes
Sweet goodbyes

I know how you feel right now
Losing dreams you've come to care about
I know what you need right now
You need to come on home so I can hold you tight
Get you through the night

DE zacht

Everything I love between us will get us through the night
All the things we lost will teach us see the pretty things in life
All the places that we've been to
The people we relate to
All the love that we give in to
